Dear Occupier

### **A358 Taunton to Southfields route options consultation**

I would like you to be aware that Highways England will commence its route options consultation for the A358 Taunton to Southfields scheme on Tuesday 16 January 2018. The consultation will remain open for 6 weeks, closing on Tuesday 27 February 2018.

We will confirm the precise details of the route options being proposed when the consultation starts later this month. However, we can tell you that we will be seeking views on a number of options between the M5 and the A358 near West Hatch, and – as with our previous consultation – a single proposal of online widening for the A358 between West Hatch and Southfields Roundabout on the A303.

We are writing to you to make you aware of the various public exhibition events being held, and to extend an invitation to you to attend them.

There will be 7 events during January and February (detailed below). These public exhibitions events will give you the opportunity to find out more about our proposals for the A358 improvement scheme. Members of the project team will be on hand at these events to answer any questions you may have.
